We are raising funds for the Bethany Shay Green Memorial Scholarship Fund. Bethany, 16 years old, was killed in an automobile accident after playing in a varsity volleyball match for Westminster High School in October 2005. The Scholarship Fund will award a scholarship(s) each year. Last year we were able to give **\$11,500** in scholarships for a thirteen-year total of **\$214,000**. We have recently decided to expand our support to include donating to local activities that involve the young people in our community. To date we have contributed **\$38,000** to these activities. One of the fundraisers is the 14th Annual Bethany Shay Green Memorial Basket Bingo. Thank you for your past and future support!

*Longaberger and the other baskets and collection names are the property of the Longaberger Company.
This fundraiser is in no way connected with or sponsored by the Longaberger Company.*

A Scholarship of the Community Foundation of Carroll County, Inc.
