

BETHANY SHAY GREEN MEMORIAL SCHOLARSHIP FUND

A Scholarship Fund of the Community Foundation of Carroll County, Inc.

Bethany, 16 years old, was killed in an automobile accident while returning home from playing in a varsity volleyball match for Westminster High School in October 2005. Bethany is the daughter of Ronnie and Chrissy Green and is the beloved sister of Jim and Zachary Green. She was a truly outstanding athlete who excelled in volleyball, basketball and particularly in softball. She was also selected to the National Honor Society as an outstanding student at Westminster High School. Her other accomplishments included 3 years of ballet, 1 year of tap dancing, 2 years of competitive horse show riding, 5 years of gymnastics, 11 years of Girl Scouts, 4 years as a junior firefighter (served 1 year as president and at 16 she was accepted as a full fledged member of the Gamber and Community Fire Company). Bethany crammed a lot of living into 16+ years. We are raising funds for the Bethany Shay Green Memorial Scholarship Fund. This scholarship fund will award a scholarship(s) each year to students graduating from Westminster High School who have shown academic achievement and have participated in sports. We were fortunate enough to award \$13,750 in scholarships last June for a total of \$202,750 in twelve years. We have recently decided to expand our support to include donating to local activities that involve the young people of our community. To date we have contributed over \$36,000 to these activities. YOUR SPONSORSHIP IS TAX DEDUCTIBLE.
